

J.M. Wilkerson Construction Co., Inc. was selected as the general contractor for the construction of the Dynamic Metal Lofts located in the historic 4th Ward area of Atlanta, GA.

This unique 3 & 4 story building was constructed using the Epicore and Infinity systems. This project was one of the first new projects of its type to be located in this part of Atlanta and consisted of 39 high-end residential units and 9 new retail spaces. The project incorporated unique 2 story units on the upper levels with exposed metal ductwork and structural systems. JMW completed the project on time and with-in the owners budgets.
