

Georgia Dome Concrete Package

Atlanta, Georgia

J.M. Wilkerson Construction Co., Inc. constructed the pile caps, ramps, crossovers, stairs, slabs and sidewalks at the Georgia Dome in Atlanta, GA.

The Georgia Dome is home to the Atlanta Falcons football team and also houses many collegiate games as well as concerts. The Dome is 374,584 sq. ft. and the athletic field measures 102,000 sq. ft. Seating at the Georgia Dome totals 71,250 permanent seats, with 203 executive suites, 4,600 club suites and a penthouse suite. It covers 8.9 acres and is the world's largest cable-supported domed stadium.
