

Austin Pruitt

Vice President - Pre-Construction / Estimating

Education

University of South Carolina
Bachelors of Science, Marketing -
1994

Business History

J.M. Wilkerson Construction
Co., Inc.
VP - Pre-Construction/Estimating
2014 - Present

Chief Estimator/Engineer/Quality
Assurance Rep. 1999 - 2014

Blue Circle Materials
Estimator/Sales 1996-1999

Austin Pruitt has worked with J.M. Wilkerson Construction Co., Inc. as an estimator, engineer and a quality assurance representative. Before joining JMW, Pruitt worked for Blue Circle Concrete in concrete and construction materials sales for commercial and residential construction. Pruitt is an American Concrete Institute Certified Field Technician in Concrete Testing and familiar with the layout software, Surveyors Module International (SMI) and Transit Design Systems (TDS). His knowledge of construction and his ability to coordinate subcontractors makes him a valued member of the J.M. Wilkerson Estimating Department. Austin works with both our Commercial Construction bids and Heavy Construction Departments and leads most estimating for JMW.
