

1015 Boulevard

Atlanta, Georgia

J.M Wilkerson Construction Co., Inc. was selected by Middle Street Partners as their General Contractor for the 1015 Boulevard project located just south of the Zoo and Grant Park in Atlanta, GA.

This new 233,791 square foot mixed use development includes a 2 level basement parking excavation with 5 levels of wood frame residential construction on top. There is 5,000 square feet of retail space as well as building access along this newly developing West Side Beltline trail that will create new exciting public spaces.

This creative plan incorporates two amenities courts, one with a pool and club room break out space and a second developed as a motor court suitable for drop-off and pick-up of urban ride share teams. With 323 units outlined in a mixture of unit sizes, this project will have a great level of activity helping to anchor its place along Boulevard and the Beltline Trail. The JMW teams are targeted to complete this project in early 2023.
