

Hightower Manor Redevelopment

Atlanta, Georgia

J.M. Wilkerson Construction Co., Inc. was selected as the General Contractor for redevelopment Hightower Manor High-rise in Atlanta, GA.

Hightower is a 7-story, 129 unit senior and assisted living housing facility, that we have had experience in upgrading over the years. The interior scope of work includes new flooring, drywall, paint, lighting, millwork, interior and entry doors, kitchen cabinets and appliances throughout. It also includes upgrades to MEP and Elevators.

The exterior scope consists of the demolition and replacing the skin, roof, canopy, entry vestibule, patio, lighting, windows and guardrails/handrails. It also includes excavating along portions of the building applying new below grade waterproofing. consists of to the basement, first floor and terrace levels, as well as, site and exterior improvements. Re-roofing, HVAC, plumbing and electrical upgrades concluded our updates.
