

J.M. Wilkerson Construction Co., Inc. served as the general contractor for DeKalb County, replacing their old transfer station facility in Decatur, GA.

The scope of work on this project included 30 acres of extensive site work, the addition of 2 retention ponds, the demolition and replacement of the existing incinerator, including a pre-engineered type II-B metal building of approximately 40,000 sq. ft., a 2-story class "A" office / admin building with structural steel frames of approximately 27,500 sq. ft. and the construction of a scale house and 1 story maintenance facility. All structures have slab on grade foundations. This project was finished 4 months ahead of schedule.
