

J.M. Wilkerson Construction Co., Inc. was selected as the General Contractor for renovations to the Doubletree Hotel Buckhead, located in Atlanta, GA.

Renovations will take place throughout the entire facility in ongoing phases. Phases 1 and 2, which are now complete, of this complex project included total renovations to the lobby, bar, sales center and public spaces. Phase 3, included the total renovation of 230 guest rooms and corridors. The complex renovation of this urban hospitality project took place while the facility remained open, occupied and ready for business. JMW understands the importance of maintaining a low profile during renovations in a hotel and work hard to maintain a professional environment for all visiting guests.
